Dear Bob:

On September 22, 1986, we received the data your office prepared in response to Senator Durenberger's and Senator Leahy's August 15, 1986 request. The information will be helpful to our study and we do appreciate the time and effort your staff spent in collecting the data.

Some of the documents your office forwarded appear to be incomplete or refer to attachments or complementary data which were not supplied. Also, as you know, the SSCI staff has met several times with your staff and some additional documents of interest have been identified as a result of these meetings.

Accordingly, we request that the data listed in the enclosure be provided to the Committee on or before October 6, 1986.

Sincerely,
